ADULT LEARNING AWARDS

A celebration of lifelong learning, the LCAE's Adult Learner Awards were initiated in 1990 to recognize and acknowledge the efforts and contributions of learners to the enhancement of their lives through adult education.

The event was created to honour the work of Mary Gee, a long-time Executive Secretary of the LCAE, and to celebrate the endeavours of learners in LCAE's member organizations.

During Ontario Education Week on Tuesday, May 1,
adult learners & educators from across the city gathered to honour nominees for the Adult Learner Awards.
